

Our Turnkey Solution

Our all-inclusive, turnkey solution offers: **no upfront investment required**

Benefit from our all-inclusive bundled per camera monthly payment*

We make traffic counting as easy as it can be: we install, guarantee, support and service the equipment and software, host the data and provide you and your team with easy access to your traffic data through simple and intuitive analytics dashboard. You also have the option to easily integrate the data to your internal systems through our API.

LATEST GENERATION OF PEOPLE COUNTERS AND TRACKING TOOL

- Proven, efficient and reliable cameras
- Accurate in any environment, from heights of 8' to 60'
- Can differentiate staff and children as well as manage queues and dwell time

Your data, your reports

- Dashboards showing traffic data in real-time
- Wide selection of standard & custom reports
- Analytical tools designed to help you better understand your traffic data

DEDICATED MULTI-LINGUAL SUPPORT TEAMS

- Real-time alerts monitoring for each camera
- Experienced live support and service calls 7 days a week
